

DOG RULES

YOUR FOUR LEGGED FRIENDS ARE ALSO WELCOME TO PASS THEIR HOLIDAYS WITH US, BUT AS YOU WILL UNDERSTAND, THERE ARE A FEW RULES FOR DOGS THAT NEED TO BE RESPECTED.

OUR HOTEL HAS ALWAYS WELCOMED DOGS, BUT FOR THE RESPECT OF THE OTHER GUESTS AND COMMON RULES OF HYGIENE, DOG OWNERS MUST ENSURE THAT THE FOLLOWING RULES ARE OBEYED.

Give us prior warning if you would like to bring your dog.

Dogs must be at least one year old and small to medium sized.

Dogs are not allowed into the dining room or the wellness area. It is possible to eat together with them at a table in the bar area, or on the terrace in good weather.

Dogs are free to enter the hotel common rooms as long as they are on a lead.

Pet owners must accept full responsibility for any damage that might be caused by their animals. Damage to furniture will be charged.

For the protection of the guests and other dogs in the hotel we request that the animals are fully vaccinated and insured.

It is strictly forbidden to allow animals to climb onto armchairs, seats, or tables.

You are requested not to leave your pet alone if they are not accustomed to this. We have created a spacious enclosure where they can be left in complete tranquillity when necessary.

Our animal guests are charged a supplement of € 40.00 per week.

For short periods a standard charge of € 25.00 applies.
